

BREAKIRON *Animation&Design* has succeeded in rising to the top among 200,000 profiles at ProductionHUB, the internet's largest production community search site. The Raleigh, NC, company recently was named among the **100 most popular profiles** on the site, an honor celebrated by selection to ProductionHUB's first **Pro100 2014 List**. Winners were selected based on profile views, clicks, recommendations and social media shares.

A high-end, full-service animation, visual effects and 3D graphics company, BREAKIRON *Animation&Design* serves filmmakers, directors, production houses and end clients. It is led by industry veteran Charlie Breakiron, who established the company in 2001.
